

Utility Set Up

Apply and pay your utility deposit online. After completing your online application and payment, please contact Tara, Public Works Office Specialist, (435) 753-0313 or tbankhead [at] providence.utah.gov (email), to provide your identification information.

If you live in an apartment unit, townhome unit, or condominium unit, you do not need to apply for Providence City utility setup; your utilities go through your homeowners' association.

[Online application and payment.](#)

If your home is a new build and you need a trash/recycling can, please call the city offices at 435-752-9441.
